**Braemar Hills / Gleason Circle / St. Patrick's Lane Neighborhood
Roadway Improvements**

Dear Resident:

The following is a quick update of the project in your neighborhood:

Neighborhood Reconstruction Schedule

Sump drain pipe installation is completed on St. Patricks Lane and Gleason Circle. It will begin next week on Scotia Drive, Tupa Circle and Tupa Drive. According to City Code, all residents with sump pumps and roof drains who discharge at the curb or within the right-of-way should use this service pipe. Please call or email me if you have any questions.

If time permits, Northwest Asphalt may install the service lines connecting to the drain pipe late next week.

During this installation, pipe will be laid along the ground and it may temporarily block access to your driveway. If this affects you, the contractor will notify you. Please be careful when driving or walking near this pipe.

Private Utility Reconstruction Schedule

CenturyLink is finished with its upgrades in the neighborhood.

Communications

For detailed information about the project, visit www.EdinaMN.gov/construction_braemar_gleason_stpatricks. The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,
